AWARDS PRESENTATION EVENING 2021

Class of 2021

Our Class of 2021 were a fantastic group of young people that we celebrated success with throughout their time as Balshavians. There was a great amount of talents and abilities amongst this highly diverse year group.

As a school, sadly we were unable to see them complete their final examinations due to a very unique set of circumstances which affected them. We saw how conscientious this year group was and how they rose to the challenge of coping with all that 2020-21 threw at them. They showed great determination to succeed and resilience at coping with changes to their normal routines and studies. We also know many of them were utterly disappointed not to be able to sit their final examinations having prepared so well for them. We have tried to reflect that hard work and diligence in the awarding of the prizes detailed in this booklet to students who showed determination, respect, resilience, grit, humility, kindness and hard work during their time at school and who epitomised our school motto *Non Sibi Sed Aliis*. We are so proud of our Class of 2021 and wish every single one of you every success for the future – Once a Balshavian, always a Balshavian.

The Lord Robens Prize

The Robens Prize was first awarded in 1966 to May Griffiths (néé Butler), also a former member of staff, following the visit of Lord Robens, then Chairman of the National Coal Board, to open the new boiler house at the Leyland & Birmingham Rubber Company. Lord Robens presented the prize on two occasions, in 1966, and January 1982 when he and Lady Robens attended Speech Night. The prize is awarded for outstanding merit in some worthy achievement, and due to the generosity of the Leyland & Birmingham Rubber Company has been awarded every year since 1966. Sadly Lord Robens died in June 1999. Unfortunately the Leyland & Birmingham Rubber Company ceased business in 2002 and has donated two cups for the annual presentation of the Lord Robens and Leyland & Birmingham prizes. The recipients' names will continue to be added to the existing boards. From 2003 the above is under the jurisdiction of the Balshaw's Education Foundation.
