The Lord Robens Prize

The Robens Prize was first awarded in 1966 to May Griffiths (née Butler), also a former member of staff, following the visit of Lord Robens, then Chairman of the National Coal Board, to open the new boiler house at the Leyland & Birmingham Rubber Company. Lord Robens presented the prize on two occasions, in 1966, and January 1982 when he and Lady Robens attended Speech Night. The prize is awarded for outstanding merit in some worthy achievement, and due to the generosity of the Leyland & Birmingham Rubber Company has been awarded every year since 1966. Sadly Lord Robens died in June 1999. Unfortunately the Leyland & Birmingham Rubber Company ceased business in 2002 and has donated two cups for the annual presentation of the Lord Robens and Leyland & Birmingham prizes. The recipients' names will continue to be added to the existing boards. From 2003 the above is under the jurisdiction of the Balshaw's Education Foundation.
